PING PONG BALL TOSS

Use goldfish bowls as the targets. Each player gets to throw three ping pong balls. You can color-code the bowls to prizes or use 1-3 balls in to determine the prize. It's helpful to have at least two sets of balls on hand so one helper can chase balls while the other helper works with the next person in line.

Variations:

Floating Bowls: Use bowls on floating rings as the targets. These are available from carnival suppliers.
